Note to possible traces:

The information on allergens and suitability for pregnant women listed here refers to the ingredients used according to the recipe. However, as meat, fish and all allergens are also processed in our operations, we unfortunately cannot guarantee that, despite thorough cleaning, unavoidable cross-contamination takes place between all work steps and traces of allergens, possibly also fish, are contained. We also do not take into account any information about possible traces contained on the part of our suppliers.

	vegetarian: no meat, no fish, but eggs and dairy goods	Y	vegan: no animal products, no animal fat or honey
